FELLOWSHIP IN OBSTETRIC ANESTHESIA

The Department of Anesthesiology at Duke University Medical Center invites applications for a Fellowship in Obstetric Anesthesia for the academic year beginning July 1988. Emphasis on clinical research and advanced clinical training in a tertiary center with approximately 3,000 deliveries per year including many high-risk consults and referrals. Opportunities to participate in NIH-funded laboratory research. Send inquiries to:

Elizabeth Bell, MD, Fellowship Director
Division of Women's Anesthesia
Department of Anesthesiology
Box 3094, Duke University Medical Center
Durham, NC 27710
Phone: (919) 681-3345.

PAIN CLINIC IN TORONTO

Anaesthetist wanted to provide sedation or light general anaesthesia to facilitate painful nerve blocks. No previous knowledge of pain work is necessary, but the opportunity is available for the successful applicant to learn and practice pain management with the help of the teaching program in a large well-organized clinic. Good income, hours negotiable. Please fax or mail your résumé to:

Rothbart Pain Management Clinic
Attention: B. Hann
Unit #125, Box 129
North York, ON M2P 2E5
Phone: (416) 512-6407
Fax: (416) 512-6375

CLASSIFIED ADVERTISING

As a service to its readers, the Canadian Journal of Anaesthesia is pleased to accept suitable classified advertisements to announce positions available or wanted, meetings, post-graduate courses, or other events or items of interest to subscribers. Rates for classified advertising (for each insertion): \$50 for first 5 typeset lines, \$5 per typeset line (or partial line) thereafter. Minimum charge \$50. 7% GST is added to Canadian orders. Copy must be received 8 weeks prior to the 1st of the month of publication. Ad copy, subject to acceptance by the publisher, should be typed double-spaced and mailed or faxed to:

Canadian Journal of Anaesthesia
1 Eglinton Avenue East, Suite 208
Toronto, Ontario, Canada M4P 3A1
Tel. (416) 480-0602, Fax (416) 480-0320

E-mail: dreid@aix1.uottawa.ca

ACADEMIC ANAESTHETIST

Dalhousie University and the Queen Elizabeth II Health Sciences Centre are seeking qualified anaesthetists to join the Department of Anaesthesia in the role of Clinician/Teacher or Clinician/Researcher. Candidates for these positions should have completed a minimum of 12-24 months of postgraduate training in areas relative to teaching, clinical research or sub-specialty clinical practice. The successful candidate will possess good clinical skills and will demonstrate an ongoing interest in clinical research, and/or teaching. He/she should possess Certification by the Royal College of Physicians and Surgeons of Canada. This is a Clinical Continuing Track University position.

Halifax, the capital city of Nova Scotia, has excellent educational and recreational facilities. Dalhousie University is an Employment Equity/Affirmative Action Employer.

The University encourages applications from qualified aboriginal peoples, persons with disabilities, racially visible persons and women. In accordance with Canadian immigration requirements, this advertisement is directed to Canadian citizens and permanent residents. Please send applications with up-to-date CV and 3 references' names to:

Dr. T.J. Coonan
Queen Elizabeth II Health Sciences Centre
Victoria General Hospital Site
1278 Tower Road
Halifax, Nova Scotia B3H 2Y9

ACADEMIC ANAESTHETIST

The Department of Anaesthesia at Sunnybrook Health Science Centre in Toronto is in need of full-time academic anaesthetists. Sunnybrook Health Science Centre is a fully affiliated teaching hospital with the University of Toronto. All types of anaesthetic practice with the exception of obstetrics and paediatrics are available.

Academic activities at Sunnybrook Health Science Centre are concentrated in the following areas: 1) cell biology, mechanism of anaesthetic action, 2) critical care medicine, 3) trauma resuscitation and outcomes, 4) cardiovascular diseases, 5) acute and chronic pain management. Preference

will be given to proven academic achievement in the above areas. All candidates must be eligible for registration with the College of Physicians and Surgeons of Ontario. Please contact:

Dr. Hugh Devitt, Head
Department of Anaesthesia
Sunnybrook Health Science Centre
2075 Bayview Avenue, Suite C-818
North York, Ontario M4N 3M5
Phone: (416) 480-4864
Fax: (416) 480-6039
E-mail: j.hugh_devitt@mail.magic.ca

CLINICAL FELLOWSHIP POSITIONS

The Department of Anaesthesia at Sunnybrook Health Science Centre is offering several one-year clinical fellowship positions. We have openings commencing July 1st, 1998.

A critical care fellowship position involves responsibility for a 30-bed critical care unit. The unit is closed with the critical care medical staff providing patient care.

A fellowship in trauma resuscitation and anaesthesia is available. Sunnybrook Health Science Centre is a level one trauma referral centre for metropolitan Toronto and central Ontario. Approximately 700 acute trauma victims are admitted annually. Services to the trauma program provided by the Department of Anaesthesia include trauma team leading in resuscitation, trauma anaesthesia, critical care medicine and pain management.

A regional anaesthesia fellowship includes experience in eye, brachial plexus and neuroaxial blocks. Time can be made available for experience in acute and chronic pain management.

A Pain Fellowship position involves a multi-disciplinary chronic pain management team which includes a diagnostic and therapeutic nerve block and chronic pain assessment clinic as well as an acute pain service. Experience in the evaluation and diagnosis of treatment of both acute and chronic pain is available.

A general clinical fellowship is available where experience in all areas of anaesthesia practice with the exception of paediatrics and obstetrics is available. Clinical fellows work in conjunction with the attending anaesthetic staff.

Non-clinical time can be made available for research or educational activities. Candidates must be eligible for Canadian certification, American Board eligible or hold an equivalent qualification and be eligible for educational registration in the Province of Ontario. Interested applicants should send a curriculum vitae and two letters of reference to:

Dr. Hugh Devitt, Head
Department of Anaesthesia
Sunnybrook Health Science Centre
2075 Bayview Avenue, Suite C-818
North York, Ontario M4N 3M5

ANAESTHESIA POSITION

The Department of Anaesthesia for the Sudbury General, Laurentian, and Memorial Hospitals has an immediate opening for a full-time anaesthetist. Combined, the hospitals have over 700 acute care beds and provide a full range of surgical services including neuro, paediatric, cardiac, vascular, and thoracic surgery. The department is also active in the Critical Care and Trauma units, and in the provision of acute and chronic pain services. Sudbury provides tertiary care referral services for Northeastern Ontario, with a catchment area of over 300,000 population.

Candidates must have attained specialty qualification by the Royal College of Physicians and Surgeons of Canada and be eligible for licensure in the province of Ontario. Interest in intensive care medicine would be an asset. A successful candidate will be joining the current complement of 17 anaesthetists. This allows flexible holiday and professional leave and very reasonable call responsibilities.

Sudbury is the largest Northern Ontario community with a population of 100,000. It offers a wide variety of cultural activities and in particular, is known for its outstanding outdoor recreational opportunities. Submit applications to:

Dr. Donald L. Wallis, Department of Anaesthesia
Sudbury General Hospital
700 Paris Street
Sudbury, Ontario P3E 3B5

CERTIFIED ANAESTHETIST

Thunder Bay, Ontario - A certified anaesthetist is required to join a group of eleven anaesthetists at Thunder Bay Regional Hospital on a fee-for-service basis. We provide tertiary anaesthetic care to all of Northwest Ontario for all surgical procedures except for open heart. This includes obstetrical anaesthesia, ICU, anaesthetic clinics and acute and chronic pain. Additionally we are committed to teaching Family Practice and GP Anaesthesia Residents. Preference will be given to applicants with ICU interest and skills.

Thunder Bay is a city of 120,000 on the shore of Lake Superior with superb winter and summer recreation including: skiing, boating, fishing and hunting. Send CV and 3 references to:

Dr. M. Scott, Chief of Anaesthesia
Thunder Bay Regional Hospital
325 S. Archibald Street
Thunder Bay, Ontario P7E 1G6

CERTIFIED ANAESTHETIST

Full-time anaesthetist required for a Northern Ontario city of 80,000 to join seven practising anaesthetists - fee-for-service remuneration. Full range of anaesthesia services, excluding cardiac and neurosurgery. Excellent facilities housed in two hospitals - I.C.U., C.C.U., epidural service, acute pain service. Ideal border community with outstanding recreational facilities. Please send CV and references to:
