### Erratum to: J Algebr Comb DOI 10.1007/s10801-015-0658-2

The publisher regrets that there were errors in the editorial process that resulted in typographical mistakes in the paper “Small Littlewood–Richardson coefficients” by Ikenmeyer, Journal of Algebraic Combinatorics, published online February 12, 2016. Some line numbers and symbols got replaced. In particular the following unfortunate changes were made.

1. On page 9 “starting after line 1” should read “starting after line 3” instead.
2. On page 10 “and instead of returning **FALSE** in line 1, return  $|S|$ ” should read “and instead of returning **FALSE** in line 12, return  $|S|$ ” instead.
3. On page 10 “in line 1 is always false” should read “in line 8 is always false” instead.
4. On page 13 “the statement **for both** in line 2” should read “the statement **for both** in line 4” instead.
5. On page 15 “in which situations the condition of line 3 is satisfied” should read “in which situations the condition of line 12 is satisfied” instead.
6. On page 15 “Hence in line 3, only elements of  $P_{\mathbb{Z}}$  are printed. The flows printed in line 3” should read “Hence in line 2, only elements of  $P_{\mathbb{Z}}$  are printed. The flows printed in line 13” instead.
7. On page 16 “(a) Algorithm 3 prints an element in line 3 and returns” should read “(a) Algorithm 3 prints an element in line 2 and returns” instead.

8. On page 16 “(c) Algorithm 3 prints an element in line 3 and returns” should read “(c) Algorithm 3 prints an element in line 12 and returns” instead.
9. On page 16 “foundpath = **FALSE** in line 3” should read “foundpath = **FALSE** in line 12” instead.
10. On page 16 “ $f + \pi(pq)$  is printed in line 3” should read “ $f + \pi(pq)$  is printed in line 13” instead.
11. On page 16 “This is guaranteed by line 3” should read “This is guaranteed by line 13” instead.
12. On page 17 “If we delete line 3” should read “If we delete line 13” instead.
13. On page 28, second line, “both  $\sigma(\diamond, c) \in \{-4, -3, \dots, 3, 4\}$  and  $\blacktriangleright$  are  $f_i$ -special” should read “both  $\blacktriangledown$  and  $\blacktriangleright$  are  $f_i$ -special” instead.
