

## Erratum

In *Kybernetik* 8, 85–105 (1971), “Adapting coincidence scalars and neural modelling studies of vision” (paper 1) and *Kybernetik* 8, 105–122 (1971), “The concepts of scaling and refractoriness in psychophysical theories of vision” (paper 2) both by W. A. van de Grind *et al.* of the Physics Lab. of the State Univ. Utrecht, The Netherlands, two figures have been interchanged. Fig. 20, p. 102, paper 1 should be interchanged with Fig. 13, p. 116, paper 2. The legends to these figures are printed in the correct place.
