Erratum to: Effect of magnesium oxide on interfraction prostate motion and rectal filling in prostate cancer radiotherapy: analysis of a randomized clinical trial

**Erratum to: Strahlenther Onkol (2014)
DOI 10.1007/s00066-014-0660-y**

Unfortunately, the metadata of the article “Effect of magnesium oxide on interfraction prostate motion and rectal filling in prostate cancer radiotherapy” were delivered incorrectly by the publisher, which caused an error in the display of the author names in abstracting services like Pubmed.

The correct list of authors reads as follows:

A. M. den Harder, C. H. van Gils, A. N. Kotte, M. van Vulpen and I. M. Lips

The metadata are corrected and delivered to the abstracting services.

The publisher apologizes for any inconveniences caused.
