### Erratum to: Shock Waves DOI 10.1007/s00193-015-0570-7

Unfortunately, in the original online publication of the article, the quantity  $I_{sp}$  was incorrectly typeset as  $Isp$  in the following places: in the text of Sect. 3 (4 cases); in Eq. (10); in Table 1 (4th column). In Eq. (14), the subscript “s, rej.” has a period which should be removed.

The original publication of the article has been updated to reflect these changes.
