**Erratum to: European Journal of Plastic Surgery**  
**DOI 10.1007/s00238-016-1252-0**

There was an error in the Ethical approval statement of the original version of the above article.

Instead of “The study was approved by the Stockholm Ethical board, DNR: 2005/418-31/3” it should have been “The study was approved by the Stockholm Ethical board, DNR: 2015/2225-31.”. Thus, this erratum was created.
