Unfortunately, Figure 1B of the original article shows the wrong gel. The correct figure is given below.

Fig. 1B Construction of recombinant *Agrobacterium tumefaciens* lineage for expression of dengue virus-2 NS1 gene. **b** Amplification of NS1 gene in *Agrobacterium tumefaciens* transformed with pCAMBIA 3301/NS1 plasmid. 1 and 2 representative samples of transformed *A. tumefaciens*; 3 negative control (representative untransformed *A. tumefaciens*); 4 100 bp DNA marker
