---

### **Polar Biol (2003) 26:420–422**

There has been an error omission on the article. On page 421, paragraph 2 of Results, last sentence, “Cannibalism was rarely reported in females with CL1)” should read

“Cannibalism was rarely reported in females with CL < 6 mm but reached ≈50% in the stomachs of the largest females (Fig. 1).” The sentence was correct in the HTML version of the paper.
