Correction to: Polar Biology
<https://doi.org/10.1007/s00300-018-2403-5>

This correction serves to provide the correct rendering of Fig. 1a, with its respective insets corrected to show both the South Orkney Islands and Signy Island (not shown in the original article but showing in the corrected figure below).

The original article can be found online at <https://doi.org/10.1007/s00300-018-2403-5>.
