Erratum to: Coral Reefs DOI 10.1007/s00338-012-0996-7

David Suggett, Tracy Lawson and David Smith conceived the study and wrote the paper; Liang Dong and Tracy Lawson constructed the CO₂-stat facility, and (with

Lindzai Torres Santa Rosa) produced and analysed the experimental data; Evelyn Lawrenz and David Suggett collated and analysed the metadata set. David Suggett and Liang Dong are joint first authors.

L. T. Santa Rosa should be read as L. Torres.
