The original version of this article unfortunately contained a mistake. The section “Acknowledgments” was missing. It is given below.

Acknowledgments The authors would like to thank the anonymous reviewers for their helpful comments. We also thank Liangliang Nan for providing his source code of point cloud reconstruction. The original idea of this paper stemmed from research discussions between the first author and Yanzhen Wang, who first worked on the problem under the supervision of Dr. Hao (Richard) Zhang at Simon Fraser University.
