Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

In the version of the article originally published, Eq. (4) was shown incorrectly. A “ π ” was wrongly replaced by the symbol “ Φ ”. The correct equation is:

$$l = \frac{1 - \left(\frac{\Phi}{100}\right)^{\frac{1}{3}}}{\left(1 - \frac{\Phi}{100}\right)^{\frac{1}{3}}} \left(\frac{4\pi}{3} VND\right)^{-\frac{1}{3}} \quad (4)$$

The error does not affect any of the results in the publication. For all calculations, the correct equation was used.

The original article can be found online at <https://doi.org/10.1007/s00410-020-1658-3>.
