Published online: 17 September 2016 © Springer-Verlag Berlin Heidelberg 2016

Erratum to: Histochem Cell Biol DOI: 10.1007/s00418-016-1471-2

The authors would like to correct the attribution of the first description of the antigen retrieval technique as discussed in the section "IHC in celloidin-embedded sections". The correct text should read as follows:

"Antigen retrieval technique was first described by Huang and colleagues in a manuscript entitled "Immunohistochemical demonstration of hepatitis B core and surface antigens in paraffin sections", published in Lab. Invest. 33:88–95 (1975).

The authors regret this error.

The online version of the original article can be found under doi:10.1007/s00418-016-1471-2.
