The original version of this article inadvertently contained a mistake on page 2051, Discussion.

The footnote regarding the correct spelling of *P. beijingensis* was omitted and it should read:

“In the original description by Zhang et al. (2012) there are two different spellings of this nematode: *P. beijingensis* and *P. beijingensis*. We suggest the orthographically right variant *P. beijingensis* as the correct name.”
