The authors recognized a mistake in Abstract and in the Discussion section. The following sentences are affected:

Abstract:

“This study identified, for the first time, T1, T15, and T18 in Brazil” should have been “This study identified, for the first time, T1 and T18 in Brazil”

Discussion:

“T15 is another genotype identified in Brazil for the first time in the present study.” should have been “T15 is another unusual genotype identified in Brazil in the present study.”
