Erratum to: *Pediatr Nephrol*
DOI: 10.1007/s00467-014-2752-4

The name of the first author was rendered wrongly; his correct name is Osama Y. Safdar. The same error occurred in a previous erratum to this article (DOI: [10.1007/s00467-014-2783-x](https://doi.org/10.1007/s00467-014-2783-x)), which corrected the name of the fourth author, Neil Sebire, and the wording of the legend of Fig. 2 (“Renal biopsy with glomeruli stained with silver stain”).

The online version of the original article can be found at <http://dx.doi.org/10.1007/s00467-014-2752-4>.
