In the sentence beginning ‘In multivariate-adjusted analysis, both RC and’ in this article, “OR” was mislabeled as “HR”. In the sentence beginning ‘The OR (95% CI) values for RC and TG were 1.636’ “OR” was mislabeled as “HR”. The Table 2 caption was incorrectly given as ‘Hazard ratio (95% CI) of lipid profiles for risk of CKD’ but should have been ‘Odds ratio (95% CI) of lipid profiles for risk of CKD’. The original article has been corrected.
