### Erratum to: Appl Magn Reson DOI 10.1007/s00723-017-0872-2

In the original publication of the article, Eqs. (3) and (4) are incorrect. The correct versions of these equations are given below. This has been corrected in the original version of the article.

$$\Delta M_{z,\text{res}} = -M_z^0 \frac{\gamma^2 B_1^2 T_1 T_2}{1 + \gamma^2 B_1^2 T_1 T_2}. \quad (3)$$

$$\Delta F_{z,\text{res}} = \frac{dB_z}{dz} \cdot \Delta M_{z,\text{res}}. \quad (4)$$

---

The online version of the original article can be found under doi:[10.1007/S00723-017-0872-2](https://doi.org/10.1007/S00723-017-0872-2).
