

Acknowledgment to reviewers

© The Japanese Society for Artificial Organs 2016

The Editors and Editorial Board Members are deeply grateful to the consultants listed below for their reviews of manuscripts from October 7, 2015, to October 17, 2016. The reviewers' generous guidance and recommendations are invaluable for us to maintain our journal's high standards of professionalism and quality and, most importantly, for the satisfaction and respect of our reading audience.

Abe, Yusuke	Itatani, Keiichi	Morimoto, Naoki	Shiba, Kenji
