Correction to:
Journal of Artificial Organs (2019) 22:181–187
<https://doi.org/10.1007/s10047-019-01102-w>

In the original publication, the title of the article was published incorrectly. The title that reads as “A subcostal approach is favorable compared to sternotomy for left ventricular assist device exchange field of research: artificial heart (clinical)” should read as “A subcostal approach is favorable compared to sternotomy for left ventricular assist device exchange”.

Publisher’s Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original article can be found online at <https://doi.org/10.1007/s10047-019-01102-w>.
