Erratum to: Eur J Clin Microbiol Infect Dis
DOI: 10.1007/s10096-016-2679-8

The authors regret that Figure 1 of the original article was published online with error. The graph on the right was the same of that on the left. The corrected figure is presented below.

Also, the originally published article has been corrected.

Fig. 1 Relationships between serum paraoxonase and TBBLase activities versus the number of days the urinary catheter was indwelling

The online version of the original article can be found at <http://dx.doi.org/10.1007/s10096-016-2679-8>.
