Erratum to: Reg Environ Change DOI 10.1007/s10113-016-0927-1

Unfortunately, the Fig. 1 was incorrectly published in the original publication of the article.

The correct Fig. 1 is given below.

Fig. 1 Percentage change in global crop production under the land expansion scenario and harvested area in 2030 compared to 2007. *Source:* simulation of production with DART-BIO; harvested area based on Alexandratos and Bruinsma (2012)

The original article has been updated accordingly.

The online version of the original article can be found under doi:[10.1007/s10113-016-0927-1](https://doi.org/10.1007/s10113-016-0927-1).
