Erratum to: J Orthopaed Traumatol
DOI 10.1007/s10195-014-0292-0

The author would like to correct the following error in the publication of the original article:

In the discussion section, eighth sentence of the first paragraph should read as:

“In our study, though there were no significant differences in clinical outcomes, we identified a significant reduction in final VT, UV, and change in VT”.
