**Correction to: Clinical and Experimental Medicine**  
<https://doi.org/10.1007/s10238-018-0513-6>

The article Association between IL-35 and coronary arterial lesions in children with Kawasaki disease, written by Ya Su, Siqu Feng, Li Luo, Ruixi Liu and Qijian Yi, was originally published electronically on the publisher's internet portal (currently SpringerLink) on 27 July 2018 with open access.

With the author(s)' decision to step back from Open Choice, the copyright of the article changed on 20 December 2018 to © Springer Nature Switzerland AG 2018 and the article is forthwith distributed under the terms of copyright.

The original article has been corrected.
