

## Acknowledgement to Reviewers

© Springer-Verlag Berlin Heidelberg 2017

Although firmly established as one of the leading journals in the field of autonomic disorders, *Clinical Autonomic Research* is not satisfied and continually strives for improvement. We are aware of the importance of high-quality peer review and its role in enhancing the quality of the articles published in this journal. For this reason the editorial team of *Clinical Autonomic Research* would like to thank all those who have taken the time and effort to review for the journal in 2016. We greatly appreciate this contribution to the ongoing success of the journal. Thank you.

\* Designates reviewers who reviewed three or more manuscripts.
