## Correction to: Acta Mechanica Solida Sinica https://doi.org/10.1007/s10338-021-00214-2

During production of the article unfortunately a type setting mistake has been introduced in Eq. (3). The correct equation is:

$$\Phi\left(\Sigma,\xi,f\right) = Q \frac{\left(\Sigma_{eq} + \omega \Sigma_m\right)^2}{\sigma_0^2} + 2f \cosh\left(\frac{\kappa \Sigma_m}{\sigma_0}\right) - 1 - f^2 = 0 \tag{3}$$

The original article has been corrected.
