## Erratum to: Distribution pattern of coseismic landslides triggered by the 2014 Ludian, Yunnan, China Mw6.1 earthquake: special controlling conditions of local topography

### Erratum to: Landslides

DOI 10.1007/s10346-015-0641-y

The original version of this article, unfortunately, contained errors.

The errors and their correct form are given in the following.

1. Two “Acknowledgements” were captured the paper. The correct “Acknowledgments” was the one found on page 1167, which reads:  
“We thank Wang Kun for his help in the field investigation and providing the data on the Hongshiyan landslide dam. Deep appreciation goes to anonymous referees and editor for their helpful comments. This work was supported by the National Natural Science Foundation of China (Grant No. 41572194) and the National Key Basic Research Program of China (Grant No. 2013CB733205).”

2. On page 1167, the first 7 references were incorrectly captured on this page. The correct list of references was given on page 1168.
3. Authors’ affiliations were missing in the original version. Their affiliations are shown below.
