Erratum to: Residual strength and creep behaviour on the slip surface of specimens of a landslide in marine origin clay shales: influence of pore fluid composition

Erratum to: Landslides (2015) 12:657–667
DOI 10.1007/s10346-014-0511-z

The original version of this article, unfortunately, contained an error.

The texts “As written in the answer to Question n°1, this is the title of the paper.”?>Residual strength and creep behaviour on the slip surface of specimens of a landslide in marine origin clay shales: influence of pore fluid composition”, which appeared in the online version as a subtitle is not part of the paper and should not be captured as such.

The online version of the original article can be found at <http://dx.doi.org/10.1007/s10346-014-0511-z>.
