## Erratum to: Surgical approach is superior to palliative treatment in oligometastatic lung cancer

Till Ploenes · Alberto Lopez-Pastorini · Erich Stoelben

Published online: 10 November 2016  
© Springer-Verlag Wien 2016

**Erratum to:**  
**DOI 10.1007/s10353-016-0437-x**

In the version originally published online, the legends to the two parts of Fig. 1 did not match the figures. Part a shows the FEV1 in liters and part b the FEV1 in per cent. Moreover, the legend to Fig. 2 belongs to Fig. 4 and vice versa. The article has been updated in the meantime.

**Conflict of interest** The author(s) declare that they have no competing interests.
