

*Erratum*

## **Erratum to: Pulsatile Perfusion Bioreactor System for Durability Testing and Compliance Estimation of Tissue Engineered Vascular Grafts**

STEFANOS E. DIAMANTOUIROS, LUIS G. HURTADO-AGUILAR, THOMAS SCHMITZ-RODE, PETRA MELA,  
and STEFAN JOCKENHOEVEL

Department of Tissue Engineering & Textile Implants, AME-Helmholtz Institute for Biomedical Engineering, Aachen University, Pauwelsstrasse 20, 52074Aachen, Germany

**Erratum to: Annals of Biomedical Engineering,  
Vol. 41, No. 9, September 2013  
(© 2013) pp. 1979–1989  
DOI 10.1007/s10439-013-0823-5**

The supported grants were omitted from the Acknowledgment Section. The Acknowledgment section below is stated correctly:

*Acknowledgments* This research was carried out in the framework of the Transregio 37 project “Mikro- und Nanosysteme in der Medizin – Rekonstruktion biologischer Funktionen” funded by the German Research Foundation till 2011 and by the Else Kröner-Fresenius-Stiftung within the project 2011\_A61.
