Unfortunately, an error has occurred in the content of the Table 1 in the original publication. The sequence appearing in the row hHEY1 “CGAGCTGGACGAGACCAT” has been incorrectly published as “C6AGCTGGAC6AGACCAT”.

The correct Table 1 is provided in this Erratum.

The text “<DummyRefID = ”F_10456_2012_9290_Fig2_HTML” has inadvertently been included at the end of the paragraph 2 in the published article (in page 615).

The online version of the original article can be found under doi:[10.1007/s10456-012-9290-0](https://doi.org/10.1007/s10456-012-9290-0).
