Subsequent to the publication of the above paper it has been brought to our attention that the species epithet proposed for the taxon represented by strain JLT2010^T is not grammatically correct as “*Altuibacter*”. It should have been proposed as *Altibacter*. We here propose the corrected name for the taxon represented by strain JLT2010^T.

Description of *Altibacter* gen. nov.

Altibacter (Al.ti.bac'ter, L. neut. n. *altum*, deep water; N.L. masc. n. *bacter*, rod; N.L. masc. n. *Altibacter*, rod from deep water).

The description of the genus is as given for *Altuibacter* in Chen et al. (2013) Antonie van Leeuwenhoek 104:1151–1157.

The type species is *Altibacter lentus*.

Description of *Altibacter lentus*

Altibacter lentus (L. masc. adj. *lentus* viscid)

The description of the species is as given for *Altuibacter lentus* in Chen et al. (2013) Antonie van Leeuwenhoek 104:1151–1157. The type strain is JLT2010^T (=JCM 18884^T = CGMCC 1.12167^T).
