Subsequent to the publication of the above paper it has been brought to our attention that the species epithet proposed for the taxon represented by strain JHH-2<sup>T</sup> is not grammatically correct, as “*jejunensis*” should have been proposed as “*jejuensis*”. We here propose the corrected name for the taxon represented by strain JHH-2<sup>T</sup>. Moreover we provide the corrected strain

### Description of *Siansivirga jejuensis* sp. nov.

*Siansivirga jejuensis* (*jejuensis*: je.ju.en'sis. N.L. fem.adj. *jejuensis*, of or belonging to Jeju, the island from which the type strain was isolated).

The description of the species is as given for “*Siansivirga jejunensis*” in Park et al. (2014) Antonie van Leeuwenhoek 106:763–769.

The type strain is JHH-2<sup>T</sup> (= KCCM 90230<sup>T</sup> = JCM 19228<sup>T</sup>).
