<https://doi.org/10.1007/s10482-021-01701-9>

In the original publication of the article, there is a mistake in the first citation. It is written as follows: Antonio J, Fernández G, Manuel FL (2018) Whole-genome sequences of two *Arthrobacter* strains isolated from a Holm Oak rhizosphere affected by wild-fire. *Genom Announc* 6(11): e00071-18-e00071-18. The givenname and surnames of the authors is not written well. It should be: Fernández-González AJ, Lasa AV, Fernández-López M (2018) Whole-Genome

Sequences of Two *Arthrobacter* Strains Isolated from a Holm Oak Rhizosphere Affected by Wildfire. *Genom Announc* 6(11):e00071-18-e00071-18.

Further, the first citation quoted in the first paragraph of the introduction has also been written incorrectly. While the citation published reads “Antonio et al. 2018”, the correct citation should now read as “Fernández-López et al. 2018”.
