**Erratum to: Breast Cancer Res Treat (2016)  
160:153–162  
DOI 10.1007/s10549-016-3982-x**

In the original publication of the article, the last two sentences in the *results* of abstract were published incorrectly. The corrected sentences should read as below:

Radiotherapy after breast conserving surgery, used in 86.2 % of non-MDC patients, was administered to 90.2 %

of MDC ( $p < 0.001$ ) and 92.6 % of MDC<sub>SD</sub> ( $p = 0.096$ ) patients. Post-mastectomy radiotherapy was administered in 52.0 % of non-MDC patients, 63.8 % of MDC ( $p = 0.050$ ), and 89.1 % of MDC<sub>SD</sub> ( $p = 0.011$ ) patients after propensity score adjustment.

The authors apologize for this error.
