During the publishing process of “Scandinavian Stakeholder Thinking: Seminal Offerings from the Late Juha Näsi” an error was made in which I am incorrectly listed as its author and the name of the rightful author, Juha Näsi, was omitted. While I would be honored to have authored this important contribution, I did not. As stated in the

preceding editors’ note written by Ed Freeman, Kai Hockerts, and me, this article is comprised of two chapters that were both authored by Juha Näsi as part of the 1995 book *Understanding Stakeholder Thinking* (ISBN 951-96013-6-8) published by LSR Publications of Helsinki, Finland.

Sadly, Juha Näsi passed away in 2008. Therefore, I will serve as the correspondent for this article.

The online version of the original article can be found under doi:[10.1007/s10551-013-1793-0](https://doi.org/10.1007/s10551-013-1793-0).
