Yumei Liu · Wen Deng

Published online: 3 May 2016  
© Springer Science+Business Media Dordrecht 2016

**Erratum to: Cytotechnology (2014) 66:275–282**  
**DOI 10.1007/s10616-013-9567-1**

Unfortunately, in the original publication of the article, the citation and the corresponding reference appeared incorrectly as below:

Citation: Koca et al. (2005) reported that citric acid could significantly increase micronucleus frequency in red blood cells of *Tinca tinca*.

Reference: Koca YB, Koca S, Yildiz S, Gürcü B, Osanç E, Tunçbaşı O, Aksoy G (2005) Investigation of histopathological and cytogenetic effects on *Lepomis*

*gibbosus* (Pisces: Perciformes) in the Cine stream (Aydin/Turkey) with determination of water pollution. *Environ Toxicol* 20:560–571

The correct citation and reference are given below:

Citation: Koca et al. (2010) reported that citric acid could significantly increase micronucleus frequency in red blood cells of *Tinca tinca*.

Reference: Kocak Y, Gaffaroglu M, Yuksel E (2010) In vivo micronuclei induction by food additive citric acid in peripheral erythrocytes of the fish *Tinca tinca*. *Fresen Environ Bull* 19(8a):1608–1614.
