Due to conflict among co-authors arising from the publication of this article, the following erratum should be published. All co-authors are informed of these changes. Note, this is an amended version based upon correspondence with M. Golam Mortuza.

The list of authors has been changed as shown above.

There should only be 1 affiliation for all authors as shown below.

The acknowledgement should be changed so it reads:

Acknowledgements We would like to thank Hannes Baumann and Philipp Kanstinger for their help with data collection and for the field capture and rearing of sprat post-larvae. The work complies with animal health and welfare laws (TierSchG, Reg.-Nr. 3/2011 – Freie und Hansestadt Hamburg Behörde für Gesundheit und Verbraucherschutz). This research was part of the “GLOBEC-Germany” program funded by the German Federal Ministry for Education and Research (BMBF). Partial funding for this research was also received from the “FACTS” (Forage Fish Interactions, EU FP7, 244966).

The online version of the original article can be found at <http://dx.doi.org/10.1007/s10641-014-0345-5>.
