RETRACTION NOTE

Retraction Note: Retraction note to: The smell of fear: on the relation between test smells and flaky tests

Fabio Palomba[1] ⬤ · Andy Zaidman[2]

Retraction note to: Empirical Software Engineering (2019) 24:2907–2946.
https://doi.org/10.1007/s10664-019-09683-z

The authors have retracted this article Palomba and Zaidman (2019). Upon re-review of the experiment presented in the article, the authors identified errors in the flaky test detection strategy. After careful analysis of the replication study, the results presented in this article are rendered unreliable. All authors agree to this retraction.
