Retraction Note to: J Mol Hist (2014) 45:269–274 DOI 10.1007/s10735-013-9556-x

This article has been retracted with approval of most of the authors, for the following reasons:

- The original article has already been published before in the Chinese language.

- The retracted article did not include all permissions needed.
- The retracted article contained errors.

The authors apologize for these mistakes and thank the reviewers of the journal.

The online version of the original article can be found under doi:[10.1007/s10735-013-9556-x](https://doi.org/10.1007/s10735-013-9556-x).
