### Erratum to: Int J Theor Phys DOI 10.1007/s10773-014-2464-3

The above authors wish to correct a typographical error found in the original article. Equation (62) has writing mistake. The correct equation is found below:

$$\omega' = -\frac{\partial \Psi}{\partial x^0} \frac{\partial x^0}{\partial \tau} - \frac{\partial \Psi}{\partial x^\phi} \frac{\partial x^\phi}{\partial \tau} = \omega \frac{\partial x^0}{c \partial \tau} - k_\phi u^\phi = \omega u^0 - k_\phi u^\phi \quad (62)$$

instead of

$$\omega' = -\frac{\partial \Psi}{\partial x^0} \frac{\partial x^0}{\partial \tau} = \omega \frac{\partial x^0}{c \partial \tau} = \omega u^0 \quad (62)$$

---
