Erratum to: J Autism Dev Disord
DOI 10.1007/s10803-014-2131-9

The author has overlooked the acknowledgement information in the original publication of the article. The acknowledgement section is presented with this erratum.

Acknowledgments Very many thanks are extended to the following people: Valerie Russell for help with participant recruitment, Sharifah Shameem Agha for help with clinical data collection, Peter Hobden and Martin Stuart for their help with MRI scanning and Richard Wise for his help with the general linear models; and of course to all the families who kindly gave their time and effort to participate. This work was funded by Cardiff University Schools of Medicine and Psychology. The original ADHD sample collection was funded by the Wellcome Trust and also supported by the Medical Research Council. Derek Jones was supported by a Wellcome Trust Investigator Award.
