#### **Erratum to: J Biol Phys (2011) 37:285–306 DOI 10.1007/s10867-011-9220-1**

The original version of this article unfortunately contained an error. On p. 298, in the final sentence of the third paragraph of Section 5.3, the signs of  $\Delta\varphi$  indicating delay and advance of phase were reversed. The correct sentence should read:

$\Delta\varphi < 0 (> 0)$  indicates a delay (respectively, advance) in the start of the next cycle.

---

The online version of the original article can be found at <http://dx.doi.org/10.1007/s10867-011-9220-1>.
