Retraction Note to:

J Inorg Organomet Polym (2016) 26:172–177

<https://doi.org/10.1007/s10904-015-0285-3>

The Editors-in-Chief have retracted this article because it shows evidence of peer review manipulation and authorship manipulation. Additionally, the article shows significant overlap with [1].

Ahmad Naghidokht disagrees with this retraction. M. Ghorannevis, R. Khodabakhsh and A. Salar Elahi have not responded to correspondence regarding this retraction.
