**Erratum to: J Insect Behav (2015) 28:167–174**  
**DOI 10.1007/s10905-015-9492-6**

The original paper of this article unfortunately contains an error. In spite of thorough proofreading, in the title the family name of *Spathius agrili* was wrongly listed as Eulophidae and should have been Braconidae.

The authors are hereby publishing the correct title:

**Attraction of *Spathius Agrili* Yang (Hymenoptera: Braconidae) To Male-Produced “Aggregation-Sex Pheromone”: Differences Between the Sexes and Mating Status**
