Erratum to: J Relig Health (2016) 55:1672–1687 DOI 10.1007/s10943-016-0236-5

In the original version of the article, the line number 28 is incorrectly included in the first paragraph of this introduction sentence: “However, the refusal of medical blood transfusions among 28 JWs may lead to early death.”

The correct sentence is given below:

“However, the refusal of medical blood transfusions among JWs may lead to early death.”

The online version of the original article can be found under doi:[10.1007/s10943-016-0236-5](https://doi.org/10.1007/s10943-016-0236-5).
