Retraction Note to: Journal of Seismology (2017) 21:1079–1100
<https://doi.org/10.1007/s10950-017-9653-5>

The Editor-in-Chief has retracted this article after an investigation carried out by Kyoto University and the publisher confirmed that Figs. 1B, 4, 10A, 13A, 13B, 15A, 15B and Table S1 contained irregularities. The Editor-in-Chief has therefore, lost confidence in the validity of the results of this study. Aiming Lin does not agree to this retraction.

Publisher's note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original article can be found online at <https://doi.org/10.1007/s10950-017-9653-5>.
