As pointed out by M.E. Fisher, the last name of physicist Murray Gell-Mann was incorrectly transcribed in eleven of thirteen occurrences in the text. The correct spelling of the last name of Kenneth Wilson's thesis advisor is 'Gell-Mann', as above. I have great empathy for people whose last names are misspelled, and very much regret missing this error in the proofs.

The online version of the original article can be found under doi:[10.1007/s10955-014-1092-x](https://doi.org/10.1007/s10955-014-1092-x).
