Dear Friends and Colleagues,

As many of you already know I have retired as Editor of JSP at the end of August. Beginning in September the Journal will have six new editors:

Giulio Biroli, Eric Carlen, Abhishek Dhar, Irene Giardina, Alessandro Giuliani and Hal Tasaki.

I am very happy with the new team and confident that they will do a great job leading the journal forward.

For me it has been a wonderful experience for almost forty five years and I would like to take this opportunity to thank you all for your friendship and help. I will continue taking care of all the manuscripts submitted before September as well as the special memorial issue for Pierre Hohenberg.

I hope you will all continue to send good manuscripts to the journal.

With warmest good wishes,

Joel
