Abstract In this note we correct an error in the paper (Ariza-Ruiz et al. in J Optim Theory Appl 167:409–429, 2015).

1 Errata Corrige

In [1, Lemma 2.2, p. 413], as well as in [1, Definition 2.3, p. 414], the condition $l \geq 0$ (resp. $l > 0$) should be replaced by $l \geq 1$.

Acknowledgements Funding was provided by Secretaría de Estado de Investigación, Desarrollo e Innovación (Grant No. MTM2015-65242-C2-1-P).
